Special Issue of the Journal *Actualidades Investigativas en Educación* (INIE-UCR) on Technical Vocational Education and Training

Dear colleagues,

the editorial board of the journal *Actualidades Investigativas en Educación* of the Institute for Research in Education of the University of Costa Rica (INIE-UCR), in cooperation with the project "Costa Rican Vocational Education and Training (CoRiVET)" – financed by the German Federal Ministry of Education and Research and carried out by the Centre for Pedagogical Training and Educational Technology of the National Technical University, Costa Rica and the University of Osnabrück, Germany- extends a cordial invitation to participate in the next special issue of the journal about **Technical Vocational Education and Training (TVET)** by submitting articles and scientific essays. This special issue aims to publish a thematic diversity of articles therefore a broad range of TVET topics from national and international perspectives are welcome.

The journal *Actualidades Investigativas en Educación* is an open access journal, of scientific nature, whose mission is to be the scientific publication of reference in the area of Education, due to its quality, innovation and continuous improvement. Besides being indexed in more than 20 indexes and databases, it is also included in most demanding databases in the world. These articles provide research findings and implications for scholars, practitioners, and policy makers.

For the publication of articles, the guidelines of the journal (<https://revistas.ucr.ac.cr/index.php/aie/about/submissions>) must be followed. **Interested parties for publication have to send their article between 16 and 30 June 2023 to start the evaluation process.**

If you are interested in publishing an article or scientific essay in the special issue, **please forward a confirmation and your topic by 20 March 2023 to silvia.camachocalvo@ucr.ac.cr and jackeline.garcia@ucr.ac.cr.**

The special issue will be published in the journal in Volume 24, Number 1, starting on January, 2024.

We look forward to your interest and to your contributions.
